

HOPE FOR HAITI

Missions Press is working with multiple relief teams that are going into Haiti. We are providing **free** Gospel literature **in the language of Creole** and numerous children's resources, including the Children's Gospel Box.

Because of this recent emergency, the need for more children's materials has greatly increased. On average, each Box costs \$175 for materials, shipping, and costs associated with training. Please consider sponsoring a Children's Gospel Box.

GOD BLESS YOU!
